Trademark holders

Register your dedicated Frogans network during the priority registration period for trademark holders

Products and Services

Registration classes

Word trademarks

There are 24 million trademarks worldwide.

Source WIPO – 2013

WIPO

National offices

SIPO, USPTO, ROSPATENT, INPI...

Regional offices

OHIM, OAPI...

Semi-figurative trademarks

Intangible asset

To register a **dedicated Frogans network corresponding to your trademark**, don't wait:
contact your intellectual property counsel, your lawyer, or your domain name registrar today

For trademark holders, the Internet is an extraordinary communications and business tool.

Social networks

Mobile apps

HTML5

Web sites

App Stores

Web 2.0

New domain names

The Internet of things

But the Internet changes constantly,
quickly, and often unpredictably.

Breakthrough innovations

No rules

Diversity

Protective environment

Trademark holders would like to see their concerns addressed, in advance, whenever the Internet changes.

Stability

Monitoring

Anticipation

Visibility

No additional costs

A new layer of the Internet

International

In a few months, the Internet will change again with the introduction of the Frogans technology. The Frogans technology is a new, secure communications area for publishing content.

Released free of charge

Open standard

15 years of research
and development

With the support of
ICANN, Afnic, Level3...

The concerns of trademark holders have been addressed in advance of the introduction of the Frogans technology on the Internet.

Reports

Awareness campaign

Reserved terms

My-Brand *

New Internet addresses

Trademark holders can benefit from the priority registration period before the widespread distribution of the Frogans technology. During this period, from April 15 to June 15 2015, trademark holders can register dedicated Frogans networks corresponding to their trademarks.

Simple procedure

179 languages

First-come, first-served

New generation of sites

Trademark holders will be able to publish their first Frogans sites when the Frogans technology is deployed for the general public (scheduled for the end of 2015).

Events

Parallel surfing

Games

Mobile navigation

e-commerce

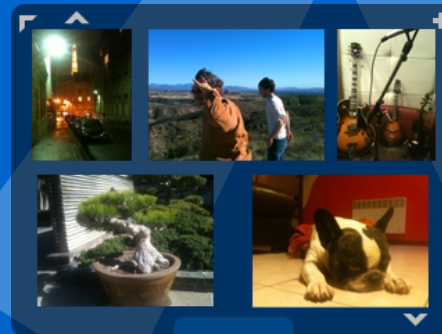

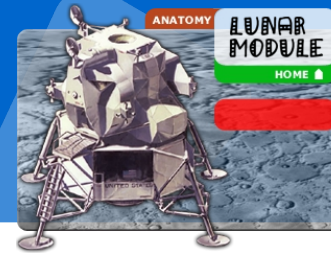

Competitions

User-generated
content

...

Frogans sites load fast and offer user-friendly navigation and innovative creative features on any connected device.

To benefit from the priority registration period for trademark holders, don't wait: contact your intellectual property counsel, your lawyer, or your domain name registrar today.

Legal notice (English)

This document is a resource provided by the OP3FT, the non-profit organization whose purpose is to hold, promote, protect and ensure the progress of the Frogans technology, in the form of an open standard for the Internet, available to all, free of charge.

The priority registration period for trademark holders is defined in and governed by a document published on the Web site of the FCR Operator at the following permanent URL: <https://fcr.frogans/en/resources/prp-tmh/access.html>

You can use these slides, in whole or in part, in your own online or offline documentation, provided that:

- you acknowledge that the OP3FT is the source
- you clearly and conspicuously display the following notice (in your language):

Frogans, FSDL, FNSL, FPUL, OP3FT, the Asterisk logo and the Two Superimposed Rectangles logo identifying Frogans Player are trademarks of the OP3FT. The trademarks of the OP3FT must be used in compliance with the OP3FT Trademark Usage Policy, accessible at the following permanent URL: <https://www.frogans.org/en/resources/otup/access.html>
